Free IELTS Test !

The International English Language Testing System (IELTS) is designed by Cambridge University English Test Institute to assess the four comprehensive aspects of listening, speaking, reading and writing of who wants to go to an English-speaking country to study, immigrants or workers. It is a widely accepted English test worldwide as same as TOEFL. There are currently more than 3.5 million test takers worldwide each year. More than 140 countries and regions can take the IELTS test. IELTS has become the international English test with the largest number of candidates and is the leader in global English assessment. There are more than 11,000 universities, governments, and professional institutions around the world that use IELTS scores as the standard for assessing applicants English proficiency. Whether you want to study in English-speaking countries (such as the United States, the United Kingdom, Canada, Australia, New Zealand, South Africa, Singapore, etc.) or non-English-speaking countries (such as Hong Kong, the mainland, Germany, Netherlands, France, Finland, etc.), Immigration, employment.
